# JBKC Training Center Regulations

Dogs present in the building must be owned by JBKC member or currently registered in a class or participating in a JBKC event.

**All dogs must show proof of vaccination before starting their class.** Required vaccinations include Rabies, DHL, Parvo, and Bordetella (kennel cough). Puppies under 5 months are exempt from the Rabies shot. It is recommended that the dog have a fecal exam before class.

Mixed breeds and pure-bred dogs are welcome. There is no maximum age.

If your female comes into season, do NOT bring her to class, but attend yourself and inform the chairperson. If possible, bathe her before coming back to class in 3 weeks.

Classes begin promptly and it is very important that you attend all of them. Please try to be on time.

Class fees are non-refundable.

Wear non-skid running shoes and appropriate clothing that will not get in the way while you are training your dog.

Handlers must be at least 10 years old and be able to control the dog. The chairperson has final say. Handlers in the puppy classes must be 12 years and over. Only one family member at a time to be on the mats working with the dog.

No dog or handler may be substituted for another during the course of the training sessions without the consent of the chairperson.

Spectators are welcome, provided that they do not obstruct the class. Disruptive spectators will be asked to leave. Any children brought to class must be seated off the mats in the seating area and properly supervised.

Do NOT feed your dog before coming to class. Feed them earlier in the morning or wait until after class. This helps prevent accidents and your dog will be more alert. You are responsible for cleaning up any accident they may have inside or outside. **NO DOGS ALLOWED ON THE GRASS AREA TO THE RIGHT OF PARKING LOT IN FRONT OF BUILDING.** We have a kennel outside of the back door for your dog to go. A bucket is provided and you must clean up after your own dog. Anyone caught not cleaning up after their own dog or not abiding by this rule will be charged \$5.00 per incident. That goes for both parking lots.

Treats: Please NO hard treats, they break up and crumble all over the floor, making a mess. Only soft little ones like liver, chicken, hot dogs, or a commercial soft treat.

Dogs must be kept on a leash and under control at all times. For excessive barking we do use lemon juice. Dogs that show aggression may be referred to other training facilities.

Equipment that JBKC uses: Flat buckle collar, Gentle Leader, Choker, Small link Pinch collar, and 6 foot leather, nylon, or cotton leash.

Equipment that JBKC does not use: Harnesses (unless needed for dogs with neck problems) Halti's, E-collars (only allowed sparingly in Behavior class), chain leashes, and Flexi-leads (only used for recalls).

All equipment will be checked and MUST fit correctly and be the proper size.

Patience and Praise are required to train a happy dog. NO harsh punishment allowed such as: hollering, hitting, kicking. These punishments will be grounds for your dismissal from class.

A good foundation will bring the best results. There are many, many ways to get from point A to point B and we will try to find the best method of training for your particular dog.

All chairperson's for all classes will have the final say for what goes on in their class, even over the trainer's if need be.

If you have any questions or problems, please feel free to stay after class and discuss it with the chairperson or the trainer.

Thank you and happy training!
